5 Years of Experience

Objective

Detail-oriented and motivated civil lab technician with a solid foundation in laboratory practices and a passion for contributing to civil engineering projects. Seeking an entry-level position to apply my academic knowledge and develop practical skills in a professional setting.

Education

- **Intermediate Pre Engineering**
Islamabad, Pakistan
- **Civil Lab Technician**
United College of Technology, Islamabad Pakistan

Professional Skills

- **Laboratory Testing:** Proficient in conducting tests on construction materials such as soil, concrete, and asphalt.
- **Equipment Operation:** Familiar with laboratory equipment including soil testing machines, concrete mixers, and compaction equipment.
- **Technical Skills:** Knowledge of engineering software (AutoCAD, MATLAB) and laboratory management systems.
- **Analytical Skills:** Ability to analyze test results and generate accurate reports.
- **Attention to Detail:** Precision in conducting tests and maintaining accurate records.
- **Communication:** Strong written and verbal communication skills for reporting findings and collaborating with team members.

Experience

- Conduct standardized tests on construction materials such as soil, concrete, and asphalt to ensure they meet project specifications and safety standards.
- Operate laboratory equipment including soil compaction machines, concrete mixers, and asphalt extractors for accurate material testing.
- Prepare samples for testing by following precise procedures, including mixing, molding, and curing concrete specimens, and properly handling soil samples.
- Analyze test results, interpret data, and compile detailed reports summarizing findings, trends, and recommendations for use by engineers and project managers.
- Maintain detailed lab records, documenting test procedures, results, and equipment maintenance to ensure organized and accurate record-keeping.
- Adhere to safety protocols and guidelines, including the use of personal protective equipment and proper handling of hazardous materials, to ensure a safe working environment.
